Steve Parish New Years Day Paddle,
sparrish@mchsi.com

Canoeing and kayaking are potentially life threatening sports. Participants on trips promoted by the club will accept responsibility and liability for their own preparedness and safety. Participants should contact the trip coordinator ahead of time for trip details and in case conditions or plans change. Bring rain gear, extra clothes in a dry bag, plenty of water and snacks; hat, sunscreen, PFD, extra paddle, and anything else you may need to be comfortable in unexpected weather conditions
